Good morning Tina and Darryl,

I wanted to send the complete email message I sent Gina Durmeier concerning Ms. Brenda Dillard.

Yesterday Lori only mention that I wrote the check had been lost. I wrote lost due to the Morrison associate(Brenda) stating if her husband do tell her about the check he will perhaps say he lost it like he do with everything he lies about and since she is in the hospital she cannot trace steps where he normally hide things therefore I wrote lost because I didn't want to go into detail with Gina concerning what the Morrison associate was saying, applicants conversations are confidential so again I just wrote lost. After I wrote Gina the first message Ms. Brenda call me to say her husband stated someone stole the check but she knows her husband is trying to steal the check and my next message to Gina was she (Mrs. Brenda) stated someone stole it again not trying to go into detail with Gina to give Mrs Brenda full conversation

I don't know if any of this matters but I wanted to give the full email message that was sent to Gina concerning Mrs Brenda check being voided. Thanks

Joyce

We did void it. I just wanted you to know that someone tried to cash or deposit it at the credit union. I wonder if 193768 is Brenda Dillard's account number at the credit union.

Gina,

This check should be voided. I have not heard back from the Morrison associate therefore it should not be cashed.

Okay, thanks Gina I sent Tekita and Anna a message to void the check. She believes someone has stolen it therefore I am trying to void the check as soon as possible.

Good morning Gina,

Mrs. Brenda Dillard (Invoice # 19-746) stated she lost her check therefore I wanted to find out if it has been cashed before I request for Tekita to void the check. She is in the hospital now therefore she is not able to trace her steps to try to find it .
